

FAASTeam presents:

Safety is Key

Jurg Grossenbacher, FFAST Program Manager from the Milwaukee FSDO will brief the pilots on the recent spike in accidents, incidents and pilot deviations due to the Pandemic. We will talk about the causal factors:

1. Lack of Proficiency
2. Standard Operating Procedures

We will discuss how you can stay safe this year and still enjoy flying to the fullest.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Please follow directions to Kubick Aviation located at 250 Riverhills Rd. Kingsford, MI 49802. The seminar will be held inside the Kubick Aviation hangar.

Please note the change in start time to 5:30PM CDT is due to speaker having to travel back to Milwaukee after the seminar!
